### Way-Finding

Mark Favermann and Laura Harbottle presented a detailed three phase plan for the rollout of the EDC's proposed Way-Finding program. After some discussion it was agreed that we should proceed with Phase #1 and meet next with the Town Administrator for guidance on how best to proceed.

Due the importance and time sensitive nature of this project it was agreed we will delay implementation of our planned video project with Lighthouse Media and use those funds (approx. \$15K) to partially cover certain Way-Finding expenses.

Mark also presented "Storm Song" a dramatic promotional concept involving sky/water lighting that could be a major tourist draw for the Harbor area. A sponsorship would be required to fund this project.

Ann Burbine provide an update regarding directional signage of Rt. 3 and also a forthcoming meeting concerning planned improvements to the Rt. 3A corridor from Cohasset to Scituate.
